

Stock Tamper Evident Clear Containers

- Our containers are specifically designed for those who want secure, environmentally-responsible packaging solutions.
- Tamper-evident compliant containers eliminate the need for wrap around security labels or shrink bands.
- Leak-resistant design ensures no mess or spills and maximizes freshness.
- Sturdy and easily stackable.
- Quick Ship Program.
- Safely and attractively merchandise an assortment of food items such as salads, salsas, desserts, deli-sandwiches, snack mixes, and sandwiches.
